**Hire List**  
August 2023

Resolution X was founded with a core vision to provide the best quality rental equipment backed by the best people and service. Since 1998 we have delivered this quality and have grown to be one of the largest providers of rental lighting and rigging equipment in Australia.

We are leaders in bringing new and innovative equipment to market, with continued investment in new hire inventory. We also maintain our entire inventory to the highest standards to ensure safety and reliability. More importantly, this equipment is supported by the finest people – a dedicated team that is enthusiastic about all challenges and provides a focus on unique and cost effective project solutions.

Resolution X offers lighting and rigging equipment through our professional dry hire service with 24 hour support. We also present full staffing support for all projects nationwide and we can provide concept development, lighting design, project management, installation, operation and removal services.
